

NE Consortium Elementary School  
**High School Year-at-a-Glance Curriculum Plan**  
 Science

	August	September	October	November	December	January	February	March	April	May
Physical Science	Motion and Force (7-9 Weeks)			Characteristics of Matter (6-8 Weeks)		Chemical Reactions (7-9 Weeks)		Forms and Transformation of Energy (8-9 Weeks)		
Earth Science	Earth's Place in the Universe (7-9 Weeks)			Earth's Changing Surface (7-9 Weeks)		Our Changing Climate (7-9 Weeks)		Conservation and Use of Resources (7-9 Weeks)		
Chemistry	Structure and Properties of Matter			Chemical Bonding		Reasons of Matter (Chemical Reactions)		Energy and Matter		
Biology	Population and Ecology (5-6 Weeks)		Matter and Energy in an Ecosystem (5-6 Weeks)		Homeostasis (5-6 Weeks)	Genetics and Heredity (5-6 Weeks)		Change over Time (5-6 Weeks)
